2016 – 2019	Hospital Volunteer St. Joseph's Healthcare Hamilton Volunteered through high school with the Patient Comfort service, the hemodialysis unit and the rehabilitation lunch program.

Research and writing

May 2023	Supporting the Evaluation of Vision Screening Clinics in Niagara A student quality improvement project with Niagara Region Public Health on its school vision screening clinics. The team revised the information sent to parents and observed the clinics with a structured flow tool: younger children needed more guidance, and queues ran long. I drafted the context section of the final report. Mrezar J, Di Salvo K, Lucisano C, Moosapeta N , Law M, Lowes C, Butchey N, Kelm K. Poster presented at Niagara Health Research Day, Brock University, St. Catharines, 4 May 2023.
----------	--

Brock University's Interprofessional Education for Quality Improvement Program (I-EQUIP), with Niagara Region Public Health and the Essilor Vision Foundation. Supervisor: Dr. Madelyn Law.

2022

The Power of Mindset: How to Fill the Gap Between Where You Are and Where You Want to Be, in University

A short, referenced guide for fellow students to three habits: working within a set daily window, owning one's choices and reviewing each day's progress.

Moosapeta N. Brock Health, issue 20, pages 6–7, 2022 (student-run magazine, Brock University).

Leadership, service and work

2020 – 2023

Molecular Research Technologies Club

Brock University · Member 2020–21, executive 2021–22, Vice-President 2022–23

Hosted literature review sessions where members worked through published studies together, contacted professors at Brock and other institutions for the club's research events, and ran the executive team's online meetings.
