Clinical experience

- Oct 2024 – Aug 2025 **Medical Secretary**
Stonechurch Family Health Centre, McMaster Family Health Team, Hamilton
- Booked appointments and kept electronic medical records accurate for physicians, nurses and the wider interprofessional team at one of McMaster's family medicine teaching sites.
 - Served as the first point of contact for patients and helped coordinate their visits with the clinical team.
- Feb – Jun 2024 **Physician Observership, Family and Emergency Medicine**
Rymal Gage Medical Centre, Hamilton, and West Haldimand General Hospital, Hagersville
- Observed two family physicians in clinic and spent five full days in the emergency department: consultations, in-person and telephone documentation, immunization and prescription management, triage and minor procedures.
- Nov 2022 – Apr 2023 **Emergency Department Volunteer**
Niagara Health, St. Catharines, through Brock Med Plus
- Helped patients and families in the waiting room with directions, parking and refreshments, kept shared surfaces disinfected, and logged patient arrivals and departures for staff.
 - During a Code Yellow for a missing patient, noticed a disoriented woman in a corridor, spoke with her and brought her back to the emergency nurses, who confirmed she was a patient expected in the department.
- Summer 2022 **Future M.Ds+ in STEM Summer Program**
MedSTEMPowered
- Completed 7.5 hours of live physician shadowing. Worked through patient cases with physicians, drafting SOAP notes and differential diagnoses that an attending physician then reviewed with the group.
- 2017 – 2019 **Hospital Volunteer**
St. Joseph's Healthcare Hamilton
- Volunteered through high school with the Patient Comfort service, on the hemodialysis unit and in the rehabilitation lunch program, delivering water and refreshments to patients and helping at mealtimes.
-

Research and writing

- May 2023 **Supporting the Evaluation of Vision Screening Clinics in Niagara**
A student quality improvement project on Niagara's school vision-screening clinics. The team reviewed the literature, observed how the clinics ran, surveyed volunteers and optometrists, and mapped the screening process.
Co-author · Brock University I-EQUIP with Niagara Region Public Health and the Essilor Vision Foundation · Supervised by Dr. Madelyn Law · Presented at Niagara Health Research Day, St. Catharines
- 2021 – 2022 **The Power of Mindset: How to Fill the Gap Between Where You Are and Where You Want to Be, in University**
An article for fellow students on the pressures of pandemic-era university, with a practical guide to staying well and keeping up academically.
Author · Brock Health Magazine, Brock University
