Education

2025 – 2030 expected	MB BCh BAO, Medicine RCSI Medical University of Bahrain Year 2 of the undergraduate medical program. The degree is awarded by the National University of Ireland and RCSI Bahrain.
2019 – 2023	BSc (Honours), Medical Sciences, First-Class Standing Brock University, St. Catharines, Ontario Coursework in epidemiology and critical appraisal, physiology, organic chemistry and the health of Canadian society. Completed clinical and community placements through Med Plus, Brock's co-curricular program for students preparing for the health professions.

Clinical experience

Oct 2024 – Aug 2025	Medical Secretary Stonechurch Family Health Centre, McMaster Family Health Team, Hamilton - Booked appointments and kept electronic medical records accurate for physicians, nurses and the wider interprofessional team at one of McMaster's family medicine teaching sites. - Served as the first point of contact for patients and helped coordinate their visits with the clinical team.
2022 – 2023	Emergency Department Volunteer Niagara Health, through Brock Med Plus - Helped patients and families in the waiting room with directions, parking and refreshments, kept shared surfaces disinfected, and logged patient arrivals and departures for staff. - During a Code Yellow for a missing patient, noticed a disoriented woman in a corridor, spoke with her and brought her back to the emergency nurses, who confirmed she was a patient expected in the department.
2022	Future M.Ds+ in STEM Summer Program MedSTEMPowered Completed 7.5 hours of live physician shadowing. Worked through patient cases with physicians, drafting SOAP notes and differential diagnoses that an attending physician then reviewed with the group.
Undergraduate	Physician Shadowing, Family Medicine Rymal Gage Medical Centre, Hamilton Shadowed two attending physicians. Observed consultations, in-person and telephone documentation, immunization and prescription management, and minor procedures across a diverse patient population.
Secondary school	Hospital Volunteer St. Joseph's Healthcare Hamilton Volunteered on the palliative care, hemodialysis and rehabilitation units: portering patients, bringing refreshments and blankets, serving meal trays, and helping nurses and physicians disinfect equipment.

Research and writing

Pre-medicine	Co-author, Quality Improvement Research Poster Co-authored a research poster on a healthcare quality improvement project.
Oct 2021 – Apr 2022	Writer Brock Health Magazine Wrote an article on the pressures students faced during pandemic-era university, with a practical survival guide for staying well and keeping up academically.

Leadership and mentoring

Sep 2020 – Apr 2023	Vice President Molecular Research Technologies (MRT) Club, Brock University - Managed the club budget and organized research-focused events, including literature review sessions where members broke down published studies together. - Moved the club's programming online during the pandemic and coordinated the executive team through Microsoft Teams. Meeting attendance grew steadily over the 2021–22 year.
Summer 2022	Volunteer Mentor Ability Online Took part in forum conversations on an online community for young people living with disabilities and illness, keeping in touch with regular members and making sure newcomers felt included.
Undergraduate	Volunteer, SNAP Adaptive Programming Brock Niagara Centre of Excellence in Inclusive and Adaptive Physical Activity Completed the eight-module volunteer preparation course, covering motor milestones, developmental disabilities, wheelchair users and positive behaviour support. Helped prepare material on motor milestones for families joining the program.
Apr – May 2018	Peer Mentor Hamilton-Wentworth District School Board, Ancaster Helped incoming high school students settle in socially and academically.
